

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*

Before I recite the Holy Qur'an  
I ask Allah to protect me from Shaitan  
In the name of my Lord do I begin to read  
For Allah to provide me with the guidance I need

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*

The book is so fine, the book is so clear  
There are no other words which to me are more dear  
When the verses are read my tears begin to flow  
You ask me to recite, I could never say no

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*

The book has the answers to the problems you need  
From the cradle to the grave how a person should lead  
The book fills my heart with cheers and joy  
Oh read everybody, every girl and boy

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*

The book is all true with no mistakes  
With beautiful rhymes that the Holy Book makes  
The book is so pure, the words are so strong  
Helps me always learn, what is right and wrong

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*

For the people in doubt they are asked to make  
A chapter of the kind no matter how long it takes  
Not a single change from the very first day  
Protected and sealed is the way it shall stay

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*

The book was sent down in the month of Ramadan  
Through the angel Jibra'il alaihissalaam  
Given to the Prophet, Muhammad Mustafa  
Read oh Muhammad, in the name of Allah

*Al Qur'an, it's the book of Allah , revealed to Muhammad Habibullah*  
*Al Qur'an, it's the book of Allah , revealed to Muhammad Rasulullah*
