

In the name of Allah who is Kind and Merciful
Who created all things in the whole wide world
Who created all the ponds, all rivers and seas
Who created all plants, all flowers and trees

Allahu Allahu Allahu Allah
Allahu Allahu Allahu Allah

He created all the stars, the moon and the sun
To Him neither sleep no hunger overcomes
He has no parents, no partners and no son
Say He is Allah the only one

Allahu Allahu Allahu Allah
Allahu Allahu Allahu Allah

All praise is due to him the Lord of all the lands
All life, death and soul lie only in His hands
All things to Him are apparent, all things does He see
Forever is He and always will be

Allahu Allahu Allahu Allah
Allahu Allahu Allahu Allah

He is the most wise to Him all power lies
Lord of all the heavens and Lord of all the skies
He is pure of all faults, he makes no mistakes
All things do I do only for his sake

Allahu Allahu Allahu Allah
Allahu Allahu Allahu Allah

To my Lord I must turn to five times a day
So that I can earn his favours and wash my sins away
His words the Holy Qur'an I must always read
To Him I shall pray for all the things I need
Oh Allah I ask you to forgive all my sins
Send your peace on Muhammad and those who follow him

Allahu Allahu Allahu Allah
Allahu Allahu Allahu Allah
