

*It is time for all of you to know
Muhammad (pbuh) is my hero
Whether you say yes, no maybe so
Muhammad is my hero*

He taught me not to swear or fight
He guided me towards the light
Never to cheat, never to steal
Worship Allah for He is real

*It is time for all of you to know
Muhammad is my hero
Whether you say yes, no maybe so
Muhammad is my hero*

His message was simple and clear
There is only one Lord whom we must fear
A prophet of Allah teaching mankind
To recognise God through his wonderful signs

*It is time for all of you to know
Muhammad is my hero
Whether you say yes, no maybe so
Muhammad is my hero*

Islam is what he came to teach
Religion of Allah is what he preached
Throughout all corners of the world
To the children of Adam, boy and girl

*It is time for all of you to know
Muhammad is my hero*

*Whether you say yes, no maybe so
Muhammad is my hero*

Confirming what was sent before
A vital message I could never ignore
When I hear His name I begin to cry
For the one who never used to lie

*It is time for all of you to know
Muhammad is my hero
Whether you say yes, no maybe so
Muhammad is my hero*

Oh everybody I ask from you
To follow Muhammad only if you knew
To accept that there is only one Lord
Besides Him there is no other God

*It is time for all of you to know
Muhammad is my hero
Whether you say yes, no maybe so
Muhammad is my hero*

Sallallahu alaihi wa sallam, Sallallahu ala Muhammad
Sallallahu alaihi wa sallam, Sallallahu ala Muhammad

*It is time for all of you to know
Muhammad is my hero
Whether you say yes, no maybe so
Muhammad is my hero*

*It is time for all of you to know
Muhammad is my hero
Whether you say yes, no maybe so
Muhammad is my hero*
