

Chorus:

Sollallahu 'ala Muhammad
Sollallahu 'alayhi wa Sallam

Best of Allah's Creations
Final Prophet and Messenger
Sent to the world as a guide
Let us all praise Muhammad

Chorus

He was a light of guidance
He showed the path to perfection
He was given the divine revelation
The greatest book, Al Qur'an

He was a man of simplicity
Of all the tribes, his was the noblest
He would rather starve himself
(Rather) Than see the hunger of the needy

{loadposition bannersmiddle}

Chorus

He walked the earth in humility
No creation can compare to his beauty
His softness, His smile
Drew people to God's final Deen

He taught us how to cleanse ourselves
From the outward and the inward
To our hearts, filled with diseases
To live like him, the purest of beings

Chorus

In this time of mass oppression
His name is clouded with falsity
We will stand strong in rebuttal
To those who stand to cause anarchy

Our advice to those who don't know
To go and read the books of history
To learn, to see the-life of the greatest being

Chorus
