

## **Wedding Nasheed**

It is a day of so much bliss  
In the gathering that we all stand  
Under the blue sky we all celebrate  
Husband and wife hand-in-hand  
There are children cheering  
And the birds are chirping  
Oh the happiness that fill the air  
And the angels descend  
Bringing blessings from Allah  
That we can feel everywhere

Chorus:

Oh it's a day of rejoicing  
A day of peace, a day when a pair fulfil  
Half of their Deen

Let us all spend some time together  
Remembering Allah Most High  
Let not the evil of Shaytan  
Get the better of us in this life  
And of the creatures of Allah  
We are created the best  
On this earth from the rest  
Remember Allah always,  
In remembering Him  
Our hearts will find its rest

Chorus

Turn wherever you want in life  
But never forget the Almighty  
Remember He is the-Sustainer

Of you and your family  
There may be hardship on your way  
Live them, content and with patience  
No matter how deep they may be  
Remember Allah always  
In remembering Him  
Your hearts will find its peace

Chorus
