

All For You Nasheed Lyrics by Nasheed Group Noor

My prayers, my breath, my life and my death are all for you
None but you, only you, ya Allah
Every second I live, every penny I give
Is just for you
Every breathe I breath, every trace I leave
Is just for you In all my fears, in all my tears
I'm callin' you
In all my shame, in all my pain
I'm callin' you

Through the night I pray, and I'm seeking your way
And it's just for you
When I shed a tear, I know you're near
And it's just for you

Hayaty wa mawty wa ruhy wa dammi ilayka ya Rabi
Anabtu ilayk laja'tu ilayk, ya Allah

My life and my death, my soul and my blood
They're all for you my Lord
I turn to You, I submit to You, my Lord.
