

Anything For You Nasheed Lyrics

If there were a single sacred rose
On a mountain top that grows
Where nobody ever dares to go
For you I'd climb that mountain high
I would reach up to the sky
If that rose was your desire

Don't you know that I
Would do anything
Would do anything
For you
I would do anything
Would do anything
Anything for you

For you, I would sail the seven seas
Walk the deserts in between
Just to bring you anything you need
Nothing could ever be too much
Anything to show my love
'Cos it gives me strength enough

Don't you
Don't you
Don't you know that I
Would do anything
Would do anything
For you
You know that I
Would do anything
Would do anything
Anything for you

For you I would take on any trial
And I would walk on through the fire
You give me strength enough to face it all

You make me feel invincible

'Cos I would do anything
Anything for you
You know that I
Would do anything
Would do anything
Anything for you

These things are nothing to
All the things you do for me
You are my dream come true

A love I never knew you see
I'd take on a mountain high
Just to see you smile for me
You make me want to be
The very best that I can be

I would do anything
Anything for you
You know that I
Would do anything
Would do anything
Anything for you
