

### **All For You Nasheed Lyrics by Nasheed Group Noor**

My prayers, my breath, my life and my death are all for you  
None but you, only you, ya Allah  
Every second I live, every penny I give  
Is just for you  
Every breathe I breath, every trace I leave  
Is just for you  
In all my fears, in all my tears  
I'm callin' you  
In all my shame, in all my pain  
I'm callin' you

Through the night I pray, and I'm seeking your way  
And it's just for you  
When I shed a tear, I know you're near  
And it's just for you

Hayaty wa mawty wa ruhy wa dammi ilayka ya Rabi  
Anabtu ilayk laja'tu ilayk, ya Allah

My life and my death, my soul and my blood  
They're all for you my Lord  
I turn to You, I submit to You, my Lord.
